COOKIES

A cookie is a piece of text which asks permission to be placed on your computer’s hard drive. Once you agree (or your browser agrees automatically if you have set it up in that way), your browser adds that text in a small file.

A cookie helps analyse web traffic or lets website operators know when you visit a particular site. Cookies allow web applications to respond to you as an individual. The web application can tailor its operations to your needs, likes and dislikes by gathering and remembering information about your preferences.

We have included a full list of the cookies used on www.gscplc.com below, along with a definition of what the cookie is used for. GSC will not use cookies to collect personally identifiable information about you.

HOW TO CONTROL AND DELETE COOKIES

We know that people have concerns about cookies, but we believe that the benefit that you and GSC gain from their proper use is worthwhile.

You can delete the files that contain cookies – those files are stored as part of your internet browser. If you wish to restrict or block the cookies which are set by www.gscplc.com, or indeed any other website, or if you wish to receive notification of cookie placement requests or decline cookies completely, you can do this through your browser settings. The Help function within your browser should tell you how. Please be aware that declining or denying cookies may prevent you from being able to use the Website to its highest capability.

Alternatively, you may wish to visit www.aboutcookies.org which contains comprehensive information on how to do this on a wide variety of browsers. You will also find details on how to delete cookies from your computer as well as more general information about cookies. For information on how to do this on the browser of your mobile device you will need to refer to your manual.

COOKIES WE USE ON OUR WEBSITE

Great Southern Copper use the following cookies:

- **Strictly necessary cookies.** These are cookies that are required for the operation of our Website. They include, for example, cookies that enable you to log into secure areas of our Website;
- **Analytical or performance cookies.** These allow us to recognise and count the number of visitors and to see how visitors move around our Website when they are using it. This helps us to improve the way our Website works, for example, by ensuring that users are finding what they are looking for easily.
- **Functionality cookies.** These are used to recognise you when you return to our Website. This enables us to personalise our content for you and remember your preferences (for example, your choice of language or region).
- **Targeting cookies.** These cookies record your visit to our Website, the pages you have visited and the links you have followed. We will use this information to make our Website and the advertising displayed on it more relevant to your interests. [We may also share this information with third parties for this purpose.

You can find more information about the individual cookies we use and the purposes for which we use them in described below:

Type: _ga, _gat, _gid **Purpose:** These cookie are set and used by Google Analytics.
